

Musical Theatre Performance Update.

All three Musical Theatre performances of Cinderella will be virtual (Feb 2, Feb 3 & Feb 4). We were all hoping for a change in the current restrictions on spectators, however, no new announcements have been made and the current health and safety restrictions remain in place. We are not allowed to have a live audience.

The good news is that there is a live streaming option available on ShowTix4U.

The direct link to this event for you to purchase tickets is: **<https://www.showtix4u.com/event-details/60520>**

Anyone who purchased a ticket for a live performance is welcome to a refund, or if you are able, forgo the refund as a donation to our program. The company we are working with to perform via livestream is not affiliated with Parkland, and therefore we cannot transfer your purchased ticket to a livestream ticket. They are a separate entity. We can promise a fun and delightful show, though! There are two acts and each is approximately one hour long. There will be a 15 minute intermission to allow our cast to change costumes, and the crew to change sets.

Creating a production during a pandemic has been an emotional feat, and we are so pleased that we can still share our hard work with our community. We thank you for your support of the Fine Arts at Parkland Secondary School.

Thank you for supporting our Musical Theatre Program!
